This information does not constitute reimbursement or legal advice, and is not intended as a guarantee of coverage or payment at any particular payment rate. CooperSurgical makes no representation or warranty regarding this information or its completeness, accuracy or timeliness. Laws, regulations and payer policies concerning reimbursement are complex and change frequently. The decision about which code(s) to report must be made by the billing provider/physician considering the clinical facts, circumstances, and applicable coding rules. The code(s) selected should be supported by the contents of any clinical notes and/or chart documentation. Please contact your third-party payer for more specific guidance.

Rates listed are based on their respective site of care- physician office, ambulatory surgical center, or hospital outpatient department. All rates provided are for the Medicare unadjusted national average rounded to the nearest whole number for 2024 and do not represent adjustment specific to the provider's location or facility. Commercial rates are based on individual contracts. Providers are encouraged to review contracts to verify their specific contracted allowables. No additional HCPCS level II coding is recommended to report use of the device. Payment is included in the associated procedure.
