

2023 Coding Guide

Current Procedural Terminology (CPT[®]) copyright 2023 American Medical Association. All rights reserved. CPT is a registered trademark of the American Medical Association. Applicable FARS/DFARS Restrictions Apply to Government Use. Fee schedules, relative value units, conversion factors and/or related components are not assigned by the AMA, are not part of CPT and the AMA is not recommending their use. The AMA does not directly or indirectly practice medicine or dispense medical services. The AMA assumes no liability for data contained or not contained herein.

Reimbursement and coding information provided herein is gathered from third-party sources and is subject to change. This information is presented for illustrative purposes only. This information does not constitute reimbursement or legal advice, and is not intended as a guarantee of coverage or payment at any particular payment rate. CooperSurgical makes no representation or warranty regarding this information or its completeness, accuracy or timeliness. Laws, regulations and payer policies concerning reimbursement are complex and change frequently. The decision about which code(s) to report must be made by the billing provider/physician considering the clinical facts, circumstances, and applicable coding rules. The code(s) selected should be supported by the contents of any clinical notes and/or chart documentation. Please contact your third-party payer for more specific guidance.
