

# LUGOL'S

## Strong Iodine Solution USP

(Iodine 5%, Potassium Iodide 10%)

---

### DIRECTIONS FOR USE

**CONTAINS** • Iodine 0.05 g/ml, Potassium Iodide 0.100 g/ml.

**DESCRIPTION** • LUGOL'S is an aqueous solution containing iodine 5%, and potassium iodide 10%, w/v (LUGOL'S Solution). LUGOL'S is a transparent liquid with a deep brown color and the odor of iodine.

**ACTIONS AND USES** • LUGOL'S is a topical antiseptic. Strong Iodine Solution is a germicide and fungicide. LUGOL'S is preservative-free.

**ADMINISTRATION** • LUGOL'S is applied directly to areas needing antiseptic.

**WARNINGS** • For External Use Only.

**CONTRAINDICATIONS** • Iodide preparations are contraindicated in patients with known sensitivity to the drugs.

**HOW SUPPLIED** • LUGOL'S is supplied in 8 ml glass single-use bottles.

**NOTE** • Keep tightly closed. Protect from light. Do not use if seal has been broken. Store at controlled room temperature of 15°-30°C (59°-86°F).

**CAUTION** • Federal law restricts this device to sale by or on the order of a physician.

**DISPOSAL OF LUGOL'S** • Opened containers with unused portions of product and applicator swabs containing residual product should be placed in a suitable, dry container for disposal following local hazardous waste practices. Waste containing LUGOL'S should not be subjected to any thermal process whether intended for destruction or recycling purposes.
